

Quote-Ready Packaging Checklist

Gather these before requesting a quote — it gets you accurate options, faster.

1 • Product & use

- ☐ What's going inside (product + form: powder, liquid, solid, oily)
- ☐ Shelf-life target and storage (ambient, refrigerated, frozen)
- ☐ Fill method (hand-fill, auto FFS, pre-made pouch filler)

2 • Format & size

- ☐ Format (stand-up, flat, quad/box bag, spouted, stick, sachet, rollstock, sleeve, label)
- ☐ Finished dimensions or fill weight / volume
- ☐ Number of SKUs (and sizes per SKU)

3 • Quantity

- ☐ Target order quantity (and any future reorder cadence)
- ☐ Open to qty breaks? (price usually improves at higher runs)

4 • Look & feel

- ☐ Finish (matte, gloss, soft-touch, metallic, kraft, clear/window)
- ☐ Special features (zipper, tear notch, hang hole, valve, spout)
- ☐ Print colors / brand spot colors

5 • Protection (barrier)

- ☐ Sensitivities (moisture, oxygen, light, aroma)
- ☐ Recycle-ready / PCR / mono-material goals?

6 • Artwork

- ☐ Print-ready vector art? (AI/PDF/EPS, fonts outlined, bleed)
- ☐ Need a dieline/template from us first?

7 • Logistics & timeline

- ☐ In-hands date / launch deadline
- ☐ Ship-to location(s)
